CCLI Song # 6579025

Sing it out, shout it loud, cover all the Earth  
Let the sound of the saints everywhere be heard  
Praise the God who has come to cure every broken heart

He is Lord over all, His reign will never end  
Through the fire and the flood He draws His children in  
He's the light of the world brighter than the brightest star

The God of brilliant lights is shining down over us  
Breaking through the darkness covering all the Earth  
Oh His love is like an ocean  
Oh forever overflowing  
The God of brilliant lights is shining over us

Sinners come to the cross and lay your troubles down  
At the feet of the One whose mercy will abound  
He's not afraid of our filth, He will never turn away

The God of brilliant lights is shining down over us  
Breaking through the darkness covering all the Earth  
Oh His love is like an ocean  
Oh forever overflowing  
The God of brilliant lights is shining over us

He's shining over us, like the morning rises  
God Your light is shining, shining over us  
He's shining over us, like the morning rises  
God Your light is shining over us

The God of brilliant lights is shining down over us  
Breaking through the darkness covering all the Earth  
Oh His love is like an ocean

Oh forever overflowing  
Oh His love has overtaken  
Oh we'll never be forsaken  
The God of brilliant lights  
The God of brilliant lights is shining over us  
He's shining over us

## **By His Wounds**

Words and Music by Mac Powell and David Nasser

CCLI Song # 4926560

He was pierced for our transgressions  
He was crushed for our sins  
The punishment that brought us peace was upon Him  
And by His wounds, by His wounds we are healed Repeat

We are healed by Your sacrifice  
And the life that You gave  
We are healed for You paid the price  
By Your grace we are saved, we are saved

He was pierced for our transgressions  
And crushed for our sins  
The punishment that brought us peace was upon Him  
And by His wounds, by His wounds we are healed

By His wounds, by His wounds  
What can wash away my sin  
Nothing but the blood of Jesus

## **Sanctuary**

CCLI Song # 24140

Lord, prepare me to be a sanctuary  
Pure and holy, tried and true  
With thanksgiving I'll be a living  
Sanctuary for you

It is you, Lord, who came to save us  
The heart and soul of every man  
It is you, Lord, who knows my weakness  
Who gives me strength with thine on hand

Lead me on, Lord, from temptation  
Purify me from within  
Fill my heart, Lord, with your Holy Spirit  
Take away all my sin

Lord, prepare me to be a sanctuary  
Pure and holy, tried and true  
With thanksgiving I'll be a living  
Sanctuary for you

## **You Never Let Go**

Words and Music by Beth Redman and Matt Redman

©2005 Thankyou Music

CCLI Song # 4674166

Even though I walk through the valley of the shadow of death  
Your perfect love is casting out fear  
Even when I'm caught in the middle of the storms of this life  
I won't turn back, I know You are near

And I will fear no evil  
For my God is with me

And when my God is with me  
Whom then shall I fear  
Whom then shall I fear

Oh, no, You never let go  
Through the calm and through the storm  
Oh, no, You never let go  
Every high and every low  
Lord, You never let go of me

And I can see a light that is coming for the heart that holds on  
A glorious light beyond all compare  
And there will be an end to these troubles but until that day comes  
I'll live to know you here on the Earth

And I will fear no evil  
For my God is with me  
And when my God is with me  
Whom then shall I fear  
Whom then shall I fear

Oh, no, You never let go  
Through the calm and through the storm  
Oh, no, You never let go  
Every high and every low  
Lord, You never let go of me

Yes I can see a light that is come for the heart that holds on  
And there will be an end to these troubles but until that day comes  
Still I will praise you, still I will praise you Repeat

Oh, no, You never let go  
Through the calm and through the storm  
Oh, no, You never let go  
Every high and every low  
Lord, You never let go of me Repeat x3
