CCLI Song # 6440288

You hear me when I call, You are my morning song
Though darkness fills the night, it cannot hide the light
Whom shall I fear?
You crush the enemy underneath my feet
You are my sword and shield though trouble lingers still
Whom shall I fear?

I know who goes before me, I know who stands behind
The God of angel armies is always by my side
The One who reigns forever, He is a friend of mine
The God of angel armies is always by my side

My strength is in Your name for You alone can save
You will deliver me, Yours is the victory
Whom shall I fear? Whom shall I fear?

I know who goes before me, I know who stands behind
The God of angel armies is always by my side
The One who reigns forever, He is a friend of mine
The God of angel armies is always by my side

And nothing formed against me shall stand
You hold the whole world in Your hands
I'm holding on to Your promises
You are faithful, You are faithful. Repeat

You are faithful

I know who goes before me, I know who stands behind
The God of angel armies is always by my side
The One who reigns forever, He is a friend of mine
The God of angel armies is always by my side. Repeat x2

The God of angel armies is always by my side

O Come O Come Emmanuel

CCLI Song # 5205541

O come O come Emmanuel
And ransom captive Israel
That mourns in lonely exile here
Until the Son of God appear
Rejoice Rejoice Emmanuel
Shall come to thee O Israel

O come thou Day-spring come and cheer
Our spirits by Thine Advent here
Disperse the gloomy clouds of night
And death's dark shadows put to flight
Rejoice Rejoice Emmanuel
Shall come to thee O Israel

O come Thou Wisdom from on high
And order all things far and nigh
To us the path of knowledge show
And teach us in her ways to go
Rejoice Rejoice Emmanuel
Shall come to thee O Israel

O come Desire of nations bind
All people's in one heart and mind
Bid envy, strife, and sorrows cease
Fill the whole world with heaven's peace
Rejoice Rejoice Emmanuel
Shall come to thee O Israel

Your Unfailing Love

CCLI Song # 2543440

When the darkness fills my senses
When my blindness keeps me from Your touch
Jesus come
When my burden keeps me doubting
When my memories take the place of You
Jesus come

And I'll follow You there
To the place where we meet
And I'll lay down my pride
As You search me again

Your unfailing love
Your unfailing love
Your unfailing love
Over me again

When the darkness fills my senses
When my blindness keeps me from Your touch
Jesus come
When my burden keeps me doubting
When my memories take the place of You
Jesus come

And I'll follow You there
To the place where we meet
And I'll lay down my pride
As You search me again (Repeat)

Your unfailing love
Your unfailing love
Your unfailing love
Over me again (Repeat)

I Refuse

CCLI Song # 5910135

Sometimes I

I just want to close my eyes
And act like everyone's alright

When I know they're not

This world needs God

But it's easier to stand and watch

I could say a prayer and just move on

Like nothing's wrong but I refuse

'Cause I don't wanna live like I don't care

I don't wanna say another empty prayer

Oh I refuse

To sit around and wait for someone else

To do what God has called me to do myself

Oh I could choose not to move but I refuse

I can hear the least of these

Crying out so desperately

And I know we are the hands and feet

Of You oh God

So if You say move

It's time for me to follow through

And do what I was made to do

And show them who You are

'Cause I don't wanna live like I don't care

I don't wanna say another empty prayer

Oh I refuse

To sit around and wait for someone else

To do what God has called me to do myself

Oh I could choose not to move but I refuse

To stand and watch

The weary and lost cry out for help
I refuse to turn my back
And try and act like all is well
I refuse to stay unchanged
To wait another day to die to myself
I refuse to make one more excuse

'Cause I don't wanna live like I don't care
I don't wanna say another empty prayer
Oh I refuse
To sit around and wait for someone else
To do what God has called me to do myself
Oh I could choose not to move but I refuse

I refuse I refuse
