

"IF WE DO IT, IT WILL WORK"

From *No Stable Too Small* by Lois Anne DeLong and Barbara Anne Antonucci

Notes

No one really knows much about the personality of the angels Gabriel and Michael. "If We Do It, It Will Work" takes some dramatic license in assigning personalities for these characters, portraying them as something of an "odd couple." It views Gabriel as a "by-the-book" worrier, and Michael as more of a laid-back type.

"It has been my pleasure working with these amazing children and adults. This is their Christmas gift to you, the congregation." Christi Tam
