

Get Involved – Do a SWOT analysis

We are in the stages of self-reflection as a congregation and church to give the call committee guidance on what we would like in our next pastor.

There are three ways to get involved in this self-reflection:

- Many Ministry Teams will be doing a SWOT analysis and other self-reflection paperwork during their next team meetings. Check with your Ministry Team lead to see if this is happening with your team.
- Council is hosting an event from **10 a.m. to Noon on Nov. 5 in the Fellowship Hall** to do the SWOT analysis and to fill out the other paperwork.
- The SWOT analysis and other paperwork will be available in the Narthex beginning this Sunday (Oct.9). You may take the paperwork home, do it on your own, and then return it no later than Nov. 5.
