

## A Scout Is Reverent

Scouting's founder, Lord Robert Baden-Powell, knew that faith gives young people a road map for life, and that it is a wise guide for thoughts and actions.

Over 100 years later we still believe that, and it is our individual faith traditions that inspire us to look beyond ourselves and turn our attention to helping others.

Scout Sunday is a beautiful reminder to ground ourselves in this faith and reverence, both in our personal lives and in BSA's daily mission to make the world a better place.
