## VBS 2023

We are partnering with Sandy Hook UMC this year for VBS. This is a very exciting endeavor! It is the first time in several years that either church has had VBS. The dates are June 1-3 from 6:30-8:30 Thursday and Friday and from 4-7 on Saturday. Thursday night is in Mill Race Park with outreach as its mission. Friday night is at FLC and Saturday's lesson and celebration are at Sandy Hook UMC.

Volunteers are needed! Middle and high school students and adults are the backbone of this ministry! Please contact Christi Tam to volunteer: 812-603-2866.

## Mission Statement:

The Youth and Family Ministry Team shall provide opportunities for family fellowship, outreach and recreation. The team shall facilitate and encourage youth and families to participate in all areas of the church's ministries. It shall provide counsel to other ministry teams regarding youth and family activities. It shall facilitate and encourage cooperation with youth and families from other congregations, when appropriate. The team shall identify and encourage both adult and youth leadership for ministries pertaining to youth and families. The team shall support the staff youth/family leader and consult with him/her in all activities pertaining to youth and family ministries especially in regard to maintaining compliance with the Lutheran interpretation of the Gospel and God's grace.

Mission Week 2023 is scheduled for June 12-16 from 9-12. Friday will go until 2:00 due to the celebration at the end of the week. There is a different service project each morning. See the sign-up sheet in the narthex for details. There is something for everyone! This is an awesome intergenerational opportunity to serve together!
