

## All Saints Community Thanksgiving Dinner

The All Saints Community is a low-cost housing community associated with the ELCA that is located at 5400 Yellowwood Drive here in Columbus. Its two-story facility houses 40 one-bedroom apartments for residents 62 or older with lower incomes. It is part of the Graceworks Housing Services network.

The Social Ministry team is working with the Services Coordinator at All Saints to provide Thanksgiving dinner to residents at All Saints on Friday November 28<sup>th</sup> at about 4 p.m. The kitchen at All Saints is small, so we will be using our own FLC kitchen and Fellowship Hall as a staging area for some of the food.

We are looking for help providing food (typical Thanksgiving fare), and logistical, transportation, and prayer support.

There will be a brief informational meeting in the Narthex between worship services on, appropriately enough, All Saints Sunday, November 2<sup>nd</sup>. And look for sign-up sheets coming soon.

Have questions? See Sue McKinley or Joy Lindsay.
